Shelby Shank Award

Award Guidelines:

This award is donated in the celebration, memory & legacy of the life of Shelby Ann Shank. All of these qualities she held in high esteem. Our gift to her memory is to select the trainer most worthy of her gifts to all of us.

To be awarded to the trainer who best exemplifies:

COURAGE: The ability to face whatever life brings us.

SELFLESSNESS: The willingness to come to the aid of others.

STRENGTH OF CHARACTER: The stamina to live by your beliefs and the determination to always stand by them.

SPORTSMANSHIP: The representations of our sport in the best possible light with an eye toward honor, the pursuit of excellence and the fair treatment of fellow exhibitors.

PASSION: The love of all of life, but mostly the love of the horses, students and the shows. This was Shelby's life. This is what she wants you to believe- Love your horses, love your students and take Pride in all of their own accomplishments, but not as your own. Know that your own passion and love of this sport is enough reward.

Winner: *to be announced.....*

Previous year's winner: Wendy Dean Johnson
