

The Chronicle of the Horse will publish the **2008 Annual Horse Show Issue** on March 14, 2008. We will include results of your association's high-score champions and reserves, and photos of your association's high-score champions in the hunter, jumper, hunter breeding and hunt seat equitation divisions.

The 2008 Horse Show Issue will be printed for the first time in color. Please send color photos for this; **please bring photos to the banquet if possible.**

Photo Guidelines

Photos must be submitted by the association only. After the issue is published, the photos will be returned to the association.

ALL of the following information **MUST** be on all photos:

- Name of the Association
 - Horse
 - Rider in the photo
 - Owner
 - Photographer's name (even if not a professional)
- Include all the information, even for equitation classes. It helps match the names to see if they won in other organizations. And double-check all spelling!

The Chronicle of the Horse 2008 Horse Show Issue Guidelines

Photos should be **color** prints. The 2008 Horse Show Issue will now be published in color.

Include photos for the **champions only**—reserve champion photos are not used. We do not accept digital photos on disk or thru e-mail for the Horse Show Issue. We can only accept prints.

The photographer's authorization for publication, if necessary, must be included with the photographs. For some photographers we have their releases on file. However, not all photographers give blanket releases and there are instances where this release is not sufficient.

We will only accept original photographic prints. We will not accept unauthorized copies of professional photographers' photos made at photo-duplicating machines.

We will also not accept proofs, photos that are not clear and of poor reproductive quality, digital images, or vignettted prints and photos. If there is any question regarding the authenticity of a photo, we will not accept it.

If a horse or pony has won multiple championships, only one photo will be used.

If a horse or pony won its division with one rider and another rider won an equitation division on that same horse or pony, the photo with the equitation rider on the horse or pony will be the one used. Photos must be action shots (walking, trotting, jumping).

Do not send candid or award photos; they will be rejected. (Hunter Breeding is the exception.) Photos must be of good quality and must be printed on quality photo paper.

Photos must be no smaller than 3 1/2" x 5" and no larger than 8" x 10". Photos must be from the 2007 show season. If there is a sticker/stamp on your photo that shows a year other than 2007, your photo will be rejected.

If your photo has a sticker on it, put there by the professional photographer who took the photo, that says it must be of a certain size before it can be published, then it must be of that size or be accompanied by a release from the photographer for that specific photo. A blanket release from the photographer doesn't include these photos.

Photos that are unauthorized copies of a professional's photo will be rejected. A professional photographer's picture will have a sticker or signature or something similar that identifies it as their photo. We cannot accept a professional's photo that you have scanned and re-printed. A release from the photographer doesn't include these photos.

USEF Zone winners need to send their photos to the USEF. USEF sends photos of Zone winners directly to the Chronicle. You will need to contact the USEF for their guidelines and deadlines.

If you have any questions regarding these guidelines please contact Melanie Harrison at results@chronofhorse.com or 540-687-6341 x302."
